

NEWSON'S YARD, PIMLICO ROAD

PUBLIC EXHIBITION

In 2015 we held a public exhibition and a number of workshops to gather feedback from the local community on our proposals for Newson's Yard. The intention of the proposed development is to enhance Pimlico Road as an internationally renowned design district.

In response to the many and varied views we heard during the consultation we have made a number of refinements to the proposed scheme. Grosvenor would like to invite you to a further Public Exhibition where our amended plans will be presented.
